

10 *reasons*

to use a Registered Master Builder

1. We are qualified and experienced builders who take pride in our work.
2. We have a reputation for building excellence.
3. We're backed by the Master Build Guarantee.
4. We have access to industry standard contracts and other documentation, so you know all the paperwork is in order.
5. To become a member, we've demonstrated we are financially responsible.
6. We are supported nationally and locally by New Zealand's pre-eminent building industry organisation.
7. Networking opportunities allow us to share best practice with our peers.
8. Training opportunities and mentoring support us to be good businessmen as well as good builders.
9. We create award-winning properties for our clients.
10. We're really great folk.
